The Tournament

The Tremblant Foundation's golf tournament has become a signature event, bringing together partners, donors, and community members in a friendly atmosphere for an essential cause.

The 3rd edition of this annual event will take place on September 25, 2025.

A prestigious and growing event

- In 2023, the event brought together 133 golfers and 142 guests for dinner.
- In 2024, there were 139 golfers and 146 guests for dinner.
- In 2025, the goal is to welcome 144 golfers and 154 guests for dinner.
- The tournament is hosted at Le Diable Golf Club, one of the most prestigious courses in the Laurentians. Known for its fairways lined with red pines, spectacular sand dunes and bold design, Le Diable Golf Club charms golfers with its unique character. Its championship-caliber course offers a variety of challenges, striking a fine balance between strategy and precision.
- The day ends with a cocktail and gourmet dinner at the highest summit of the Laurentians. The gondola ride promises a breathtaking view of the autumn colors, Lake Tremblant, and a stunning sunset.
- Participants mainly consist of local entrepreneurs and professionals who care deeply about the well-being of children in our region.

The Fondation Tremblant helps the underprivileged children of the MRC des Laurentides territory to attain a better quality of life and develop their full potential in the areas of sports, education, art and cultural activities.

Partnership Plan

Presenting Partner

\$10,000

- Tournament presented in your name
- Your logo and company name featured in all event communications
